## **Oregon-Idaho Methodist Federation for Social Action Peace and Justice March Saturday, June 20, 2026 -- Boise, Idaho**

Methodist Federation for Social Action invites you to join us for a **Peace and Justice March at Annual Conference**. Our United Methodist Social Principles declare: "The church deplures war and all other forms of violent conflict and urges the peaceful settlement of all disputes. We yearn for the day when there will be no more war and people will live together in peace and justice". When our country is engaged in war, so many other needs fall by the wayside - the need for adequate food and shelter, the need for childcare and healthcare, the need for mental health support, the need for education... Money spent on war keeps us from providing for the basic needs of the people who live in our country. War continues to perpetuate violence in our world.

Our march is an opportunity to:

- share with the people of Boise our concern for all people and for a nation that provides for the needs of all people
- tell the world that we Love Boldly all of God's children.

**We will depart Boise First UMC at noon on Saturday, June 20 and walk to the Idaho State Capitol (about ½ mile). We will spend a few minutes in prayer outside the capitol and then return to Boise First UMC.**

If you are in the Boise area, we invite you to join us. You are encouraged to make a sign to carry with you on Saturday. If you don't have a sign, come anyway -- and invite your friends to join you. Help us show Boise that United Methodists do care about them and the world we live in.
