SCHOOL SUPPLY DRIVE INSTRUCTIONS - LIST ATTACHED TO EBLAST EMAIL

New Horizons Staff has sent us their school supply wish lists! Please know they are so grateful for your support. And they **DO NOT EXPECT** every wish item to be granted. If we can donate at least one item from each lettered section (A-R) on the list, that would be terrific. So as you are looking at the sign-up sheet in the narthex, think about choosing some item from a section that has no current sign-ups. We have a month to sign-up, order and purchase items, so there is time to “shop” and team up with a partner if you’d like to. We will conclude the collection on Sunday, October 25th.

In the attachment to this email, is a list that matches the School Supply Drive sign-up sheet that you will find in the narthex. It contains links to Amazon (or Walmart) that give you an exact description of the item.

1. Before you order or purchase an item off the list, please sign up for that item on the large paper list located on the table in the narthex by the coat racks. This will help to ensure that we do not accidentally order duplicate items. (If you won't be in the narthex for a few weeks, you could ask a friend who'll be at church to sign up for you—making sure the item you wish to purchase isn't already spoken for.)

2. If you decide to order an item from Amazon:

a. Before clicking “purchase item,” please double check the description and the quantity of the item in your “online cart” to make sure it matches the description on the sign-up sheet.

b. Before clicking “order,” double check your “delivery address.” Make sure **YOUR HOME ADDRESS** is selected (not a gift registry address).

3. When you've purchased and received an item, please bring it to church and leave it on or under the School Supply Drive collection table in the narthex. Grab a post-it note off the School Supply Drive poster and label it with the item's letter and number (found on the sign-up sheet). Please stick the labeled post-it note to your item/s, so that when we deliver them to the school, it will make distribution of the supplies to the correct classrooms so much easier.

Thank you for your generosity and support of our neighboring school, New Horizons Dual Language."
